40F-49F	Long Sleeves or Coats ~ Pants
50F or Higher	Short Sleeves, Long Sleeves, or Coats ~ Shorts or Pants

SNOW MEANS SNOW GEAR!

Snow Gear includes boots, snow pants, coat, hats, and gloves/mittens.

COLD WEATHER AWARENESS

With the cold winter weather here, please make sure your kids are dressed appropriately when they leave for school. With the sub-zero temps, there is always a chance for the buses to gel up or the heaters to not work as they should. Even with the heaters running, the buses are not very warm inside.

Students should be wearing a winter jacket, gloves, cap, and boots especially for the elementary. If there is a need for winter wear, please contact the school so we can try to help out. We want all of our students to be warm and safe during our frigid weather. If a bus driver feels a student doesn't have the proper winter attire on, they will be asked to go back into the house and the bus will have to continue on the route so other students are not waiting outside.
